Agriculture

ILP Certificate in Agriculture Level 3
ILP Certificate in Agriculture Level 4

(Dairy Production)

NZQA Registered
and Accredited Private
Training Establishment

Location	New Plymouth Hastings
Start Date	Open Entry
Hours	For Tutorial and Sponsor Days - exact times to be advised
Method of Study	Training in conjunction with employment
Duration	40 weeks

Entry Requirements

There are no formal academic requirements though a general interest in agriculture is essential.

Course Aim

To provide students with both a practical and theoretical understanding of agriculture tasks.

Upon graduation students will have a clear pathway to a career in Agriculture.

Subjects studied

Year One (Level 2 & 3)

- Health and Safety
- Dairy Reproduction
- Animal Handling
- Pest Control
- Vehicles and machinery
- Fencing

Year Two (Level 4)

- Core Compulsory (preparation of a farm report, livestock health, fertilisers)
- Stock Health
- Dairy Production
- Pasture and Feed
- Milking and treatments

Environment

At Onsite Education we care about you as a person. We will give you practical skills towards a better future, help you gain confidence and help you to achieve an ILP Certificate in Agriculture Level 3 or 4.

All units achieved on our programmes can be credited towards a NZQA Lantional Certificate in Agriculture (Dairy Farming) Level 2, 3 and 4. In the first year, units can also be credited towards a National Certificate in Farming Skills (Farm Safety) Level 2.

Student Loan

A government funded loan scheme is available to qualifying students.

Other Funding Sources

Course fees payable may be funded from Work and Income NZ in the case of beneficiary, or from grants from charitable trusts etc.

Course Fees*

Please contact your local area office or email office@ilp.ac.nz to request an Onsite Education presentation pack. This pack will give you all the information you require. We look forward to hearing from you.
